Dear Miss Erica DeRamus,

My name is Paula Flowe. I am the Executive Director of The Hitting Stops Here!, a campaign for teaching kindness and respect in schools everywhere. “Good for you!” protecting your body from being violated by avoiding an American sanctioned school beating. I just wanted to congratulate you on standing up for your rights.

Teach the other girls and young ladies to do the same—and the boys and young men too.

Thank you for being the “*Rosa Parks*” of American school children living in school districts where child-beating is still sanctioned. It will be over soon and then we can be proud of our American school system.

God bless your bright future and God bless America.

Again, thank you for your brave action.

Sincerely,

Paula Flowe, Exec. Director
